

CALLING ALL B.L.C.A. PHOTOGRAPHY ENTHUSIASTS!!

This summer we are launching our first ever B.L.C.A. Calendar for 2021. This is a fundraising event for the Water Quality Fund for the Third Burden Lake. Our calendar will include 12 photos, one for each month of the year, and this is where our photographers come in! If you are interested in participating in this event, please read carefully the following guidelines:

- Send by electronic file (.jpeg or .pdf) to Judy Scarlata (studioj@nycap.rr.com) **FIVE** of your **BEST** photos taken by a 35 mm. camera (preferred), an I-Phone or an Android phone at 300 dpi resolution or higher. This should translate to an 8"x10" photo for printing. Please shoot **HORIZONTALLY** when you take your photos as these give the best shots when photoshopped by the printer and do not need to be cropped. I-Phones and Androids should send in your electronic photo files at **ACTUAL SIZE**.
- Subject matter is your choice but must be tasteful. Let yourself be inspired by our wonderful lake, its people, its nature. We need three photos for each season, each quarter of the year. Think: January, February, March...etc. Photos will be selected with the following criteria in mind: good composition, color use, subject interest and the uniqueness of the photo. You **DO NOT** have to be a professional photographer to participate. Many outstanding shots have been taken quickly with simple cameras. We want **ALL** to feel free to enter.
- Before sending them to me, **please label each photo with your name and a title for the photo**. All photos **MUST** be submitted **BY JULY 6th**, none will be accepted after that date, due to the printer's time restraints. The **WINNING** photos will be published in the calendar by month.
- When we receive the printed calendars, they will be sold at all B.L.C.A. events. Look for them there and don't miss out on your copy, as they are sure to be spectacular! Your purchase will help the Lake and you'll be able to keep track of your appointments and goings-on in 2021!
